Greetings Dave: In reference to the contract and associated WA noted below, we are requesting timely assistance from your office to authorize Cadmus to start work (or cease the stop work) so our comments on the proposed budget and workplan can be sent to Cadmus asap. I understand that the contract documentation has been sent through Nancy Parotta in OGWDW for action to the CO on your staff, Lisa Mitchell Flynn, and Angela Lauer.

Cadmus contract number: EP-C-15-022

Work Assignment number: 3-96

As Cadmus' work will be critical in supporting one of the Regional Administrator's top priorities, we would very much appreciate your prompt attention to our request.

Please let us know if you have any questions, etc.

Sincerely,

Douglas Minter
UIC Unit Manager
EPA Region 8
